Axis Centre is a dynamic mixed-use development in George Town, offering purpose-built spaces for businesses, medical professionals, and secure storage. Spanning 40,000 sq. ft., it provides a well-designed and accessible environment near Owen Roberts International Airport, with direct access to Camana Bay via the new Airport Connector Road. With modern infrastructure, flexible leasing and purchase options, and a central location, Axis Centre is the ideal hub for businesses and healthcare providers looking to establish themselves in a thriving commercial district.

Axis Centre's ground-floor commercial spaces accommodate retail, office, and service-based businesses, with convenient storefront access, on-site parking, and easy connectivity via the Airport Connector Road and Jay Bodden Highway. Designed for flexibility and durability, Axis Centre's commercial spaces offer high ceilings, hurricane-rated windows, and essential MEP provisions to support a range of business operations.

With a diverse mix of businesses and services, Axis Centre creates an environment where tenants and owners can connect, complement, and support each other.
